DETAILED ACTION

Allowable Subject Matter

1. Claims 25-29 are allowed for the reasons stated in the Office Action of May 20, 2003.

2. Claims 1-24 are allowed.

The following is an examiner's statement of reasons for allowance:

The Examiner is convinced by Applicant's arguments (Pages 2-6) regarding the Lichy reference not showing the limitations of the independent claims. Specifically, the reference fails to teach, disclose, or suggest, either alone or in combination, the step of the flexible tube being placed over the conductive core by radially expanding the flexible tube, relatively sliding the conductive core inside the flexible tube, and releasing the flexible tube over the conductive core and in combination with the rest of the limitations in the base claims.

The Examiner is convinced by Applicant's arguments (Pages 2-6) regarding the Lichy reference specifically not showing the limitations of the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
